# Synthetic Home Insurance Policy A

1.1 Policy scope This policy provides coverage for eligible sudden physical damage to the insured residential property, subject to the terms and exclusions below.

4.2 Hail and windstorm Direct physical damage caused by hail or windstorms to roof shingles, gutters, and other insured exterior components is covered, subject to verification.

4.3 Roof damage evidence The claimant must provide reasonable evidence of the reported damage. Weather records may support the assessment but do not independently prove damage.

6.1 Wear and tear exclusion Gradual deterioration, aging, corrosion, and normal wear and tear are excluded. Pre-existing deterioration is not covered as sudden storm damage.

7.1 Claim investigation Claims may require photographs, inspection findings, and relevant incident information before a decision.
